

Days of Lamech

Starflyer 59

These could be days
Like Lamech, Methuselah
Boys after girls
And the girls after the boysSo excited
So excited
So excited
But you wrote it downSo excited
So excited
So excited
But you wrote it downBut you wrote it down
But you wrote it downOne in the farms
Or in the hills or a wedding daysSo excited
So excited
So excited
But you wrote it downSo excited
So excited
So excited
But you wrote it downBut you wrote it down
But you wrote it down
