Drop It Low

Kat Deluna

Drop it low,
Pop it up, pop it up, turn around (x4)

Move your body baby, bom bom bom
When I shake it, IÂ'mma steal-a the show
Come one baby, run run run
Quiero eso, dale long long long
Whine up, baby, whine, whine, whine
Take it slow, do it one more time
Feel it up, perfect moment la cool-a
Feel it up, like tomorrow, tomorrow
Feel it up, you never forget it

IÂ'mma see you looking it at me
Oh my my sexy boy
Uno, dos, tres

Dale...Move you body!

Drop it low,
Pop it up, pop it up, turn around (x2)

Pa abajo, dale pa abajo
Pa abajo, dale pa abajo

Drop it low,
Pop it up, pop it up, turn around (x2)

Move your body baby, round, round, round
Make it happen, then show it around
Shake your booty, make it pow, pow, pow
Turn around, keep it coming for more-a
Break a sweat, heÂ'll be back in for more-a
Hold my body like a coca cola
Move your body, baby take me ahora
Come to me, cuz you like my sabor-a
IÂ'm a freaking donna...

IÂ'mma see you looking it at me
Oh my my sexy boy

Uno, dos, tres

Dale...Move you body!

Drop it low,
Pop it up, pop it up, turn around (x2)

Pa abajo, dale pa abajo
Pa abajo, dale pa abajo

Drop it low,
Pop it up, pop it up, turn around (x2)

Todo el mundo se menea, se menea, se menea
Todo el mundo se menea, se menea, se menea

Baby, baby, baby, baby
If you want it, come and get it
Believe it, youÂ’re gonna get it

Drop it low,
Pop it up, pop it up, turn around (x2)

Pa abajo, dale pa abajo
Pa abajo, dale pa abajo

Drop it low,
Pop it up, pop it up, turn around (x2)
