Rain

Sue Raney

April showers, overhead offer me a chance
To protect her from the rain and cultivate romance
It's an opportunity, something to enjoy
Helter, skelter fly for shelter I'm a lucky boyRain, let us cuddle while the rain pitter-patters
On the pane and we're alone
A chance to while away a dreamy afternoon
A lovely peaceful afternoon
No one can see us
Rain It's so cozy in the rain
There's no reason to complain she'll wait for you
To hold her hand and then it's ten to one
You kiss her in the rain, rain, rainRain, let us cuddle while the rain pitter-patters
On the pane and we're alone
A chance to while away a dreamy afternoon
A lovely peaceful afternoon
No one can see us
Rain It's so cozy in the rain
There's no reason to complain she'll wait for you
To hold her hand and then it's ten to one
You kiss her in the rain, rain, rain
