

Feel Good (Olivier Heldens Remix)

Robin Thicke

Does it feel good
Does it feel good
Does it feel real good
Does it feel good
Does it feel good If it told that I love
Would you run away or would you run to me
I need to know it baby
If gave you all my loving would you give it back
What would you do with that
I asked a lot of that
And if gave you all my time when its the summer time
I know my down time, girl that's a lot of time
If I'm falling over you, then what you gonna do
I wanna come with you, I wanna run with you
I'd give you all my loving to you
I'd give you all my loving to you Does it feel good
Does it feel good
Does it feel good
Does it feel real good
Does it feel good
Does it feel good
Does it feel good
Does it feel good
Does it feel good If I partied till the morning
Would you stay with me
Girl would you play with me
Or would you hate on me
If I ran all out of money
Would you pay for me or would you stray from me
I need to know it baby
If there's something that I could do
To make you see the light
Girl that I treat you right
I'd do it every night
Every second that I'm with you is a special world
Like I'm your only man, and you're my only girl I'd give you all my loving to you
I'd give you all my loving to you Does it feel good
Does it feel good
Does it feel good
Does it feel real good

Does it feel good
Does it feel good
Does it feel good
Does it feel goodDoes it feel good
Oh babe oh darling
Does it feel good
Does it feel goodI'd give you all my loving to you
I'd give you all my loving to youDoes it feel good
Does it feel good
Does it feel good
Does it feel real good
Does it feel good
Does it feel good
Does it feel good
Does it feel good
Does it feel good
