

# Kush

## Lil' Wayne

[Chorus]

Yeah, and we smoke that kush

Yeah, that kush

Yeah, and we ball like swoosh

Yeah, like swoosh

Yeah, like swoosh Yeah, now how ya like me now Got the shit goin' till six

Press a button, watch the motherfucker do tricks

I don't know what you are on, but I'm on some new shit

While you're bitch is on my dick, like a glue stick

I got a grill, I don't have to get my tooth fixed

The tooth fairy would retire if I loose it

Straight out the clip, that's how I spit like an ooze

You can't find me 'cause I'm lost in the music

I'm runnin' this and I can jump the hurdles

I feelin' like I'm racing a bunch of little turtles

Keep a bandanna like the Ninja Turtles

I'm like a turtle, when I sip the purple [Chorus] So how ya like me now Buck sixty on the dash, I'm a do two

Captain Crunch, these niggas is Fruit Loops

That's why your girl wanna fuck me and my group too

And I'm a make her back it up like "droop shoop"

I'm the Birdman Jr., I gotta do coups

I hop up out that motherfucker, holler "suwoop"

Hollygrove seventeen, I'm from the zoo crew

You would think every animal in the zoo loose

(Fuck with me) I'm on that screw juice

But I keep my shit together, not a screw loose

Yeeaahh, word to my Gucc (Gucci) boots,

I'm higher than a new suit [Chorus] Now how ya like me now Buck forty on a ring that I don't really wear

But I bet it light up the night like the city fair

This shit ain't fair, I didn't have to go there

But all this ice got me feelin' like a polar bear

I'm so aware, I'm so prepared,

I'm so fly I will take off into the open air

Lift off, Cristal, please, crackers with cheese

Nigga please, we on J-E-Ts like Curtis Martin and Whitley Green

I'm, lightin', lightin',

Light the thing, light the thing, no Reggie man [Chorus] Now how ya like me now
