

# They Love Each Other (Live - November 30, 1973)

## Grateful Dead

Merry run around, sailing up and down  
Looking for a shove in some direction  
Got it from the top, it's nothing you can stop  
Lord, you know they made a fine connection They love each other, Lord you can see it's true  
Lord you can see it's true, Lord you can see it's true He could pass his time around some other line  
But you know he chose this place beside her  
Don't get in the way, there's nothing you can say  
Nothing that you need to add or do They love each other, Lord you can see it's true  
Lord you can see it's true, Lord you can see it's true Its' nothing, they explain it's like a diesel train  
Better not be there when it rolls over  
And when that train rolls in, you won't know where it's been  
You gotta try to see a little further They love each other, Lord you can see it's true  
Lord you can see it's true, Lord you can see it's true Though you'll make a noise, they just can't hear your voice  
They're on a dizzy ride on you're cold sober They love each other, Lord you can see it's true  
Lord you can see it's true, Lord you can see it's true Hope you will believe what I say is true  
Everything I did, I heard it first from you Heard your news report, you knew you're falling short  
Pretty soon won't trust you for the weather  
When that ship comes in, you won't know where it's been  
You got to try to see a little further
