

Love's Not A Competition (but I'm Winning)

Paramore

Well, I won't be the one
To disappoint you anymore
And I know I've said all this
So that you heard it all before
The trick is getting you to think
That all this was your idea
And that this is everything
You ever wanted, out of here
Love's not a competition
But I'm winning
I'm not sure
What's truly altruistic anymore
'Cause every good thing that I do is listed
And you're keeping score
Love's not a competition
But I'm winning
Love's not a competition
But I'm winning
Or at least I thought I was
But there's no way of knowing
At least I thought I was
But there's no way of knowing
You know what it's like
When you're new to the game
But I'm not
Well, I won't be the one
To disappoint you
Well, I won't be the one
To disappoint you anymore
Well, I won't be the one
To disappoint you anymore
(Love's not a competition but I'm winning)
Well, I won't be the one
To disappoint you anymore
(Love's not a competition but I'm winning)
I won't be the one
To disappoint you anymore
