# The Chain

## Three Days Grace

Listen to the wind blow
Watch the sun rise
Running in the shadows
Damn your love, damn your liesAnd if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chainListen to the wind blow
Down comes the night
Running in the shadows
Damn your love, damn your lies
Break the silence
Damn the dark, damn the lightAnd if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
