

# The Chain

## Three Days Grace

Listen to the wind blow  
Watch the sun rise  
Running in the shadows  
Damn your love, damn your lies And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the chain  
And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the chain Listen to the wind blow  
Down comes the night  
Running in the shadows  
Damn your love, damn your lies  
Break the silence  
Damn the dark, damn the light And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the chain  
And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the chain
