

Go Shawty

Electrik Red

Boy, you know I'm lovin' what you do
Put your lovin' in my gun, I wanna shoot
You're not the kinda guy that I don't wanna lose
The way you stroke that got me all up under you Watch you go, giddy up, giddy up now
First, you grind it slow, get it, got it
Hit it like a pro, ooh
Make my body explode Go shawty, go shawty, go shawty, go
Go shawty, go shawty, go shawty, go
Mo' shawty, mo' shawty, mo' shawty, mo'
Tick, boom, explode I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm I'm hopin' what you did ain't a fluke
Caught one but I'm tryna catch two
Now some of these guys ain't got a clue
But you got me like, ooh, ooh So here's a toast, put it up, put it up now
Sip, sip it slow, sizzurp
'Cause after this we'll know
Boy, I'm gone need some more, oh Go shawty, go shawty, go shawty, go
Go shawty, go shawty, go shawty, go
Mo' shawty, mo' shawty, mo' shawty, mo'
Tick, boom, explode I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm Ooh, that's it boy
Ooh, almost there
Aah, aah, aah, right there, boy
Aah, aah, aah, touch there, boy Ooh, keep it goin'
Ooh, keep it goin'
Aah, aah, aah, yeah
Aah, aah, aah, yeah, ooh Go shawty, go shawty, go shawty, go
Go shawty, go shawty, go shawty, go
Mo' shawty, mo' shawty, mo' shawty, mo'
Tick, boom, explode
