

Funkin for Jamaica

Tom Browne

Jamaica funk, that's what it is
Let it get into you
C'mon, I've got a groove
You know where I'll be, funkin for jamaica
If ya feel it, let it get into you
Jamaica funk, that's what it is
Baby, let it get into you Funk, funk, funk, funk, funk, funk, funk, funk, funk, funk, funk
Hey man, guitar Brown
Hey man, he is an ordinary guy
Yeah, he is
What's up with that?
What's up with that?
He always says, "Wanna play, you wanna play, you wanna play?"
Hey, what's up? (Play, we could do it)
Anybody at school ever played, I don't know?
Hey, what's up?
All he talks about is boozes
Boozes, booze
Booze, oh man
What, he goes, "Get the fuck out"
Stop
You've got a thing
I feel it inside my soul (? over there) (Over there)
Let it get into you (Oh yeah, oh yeah) (Attack) (Somebody call the cops)
'Cause there's enough to go all the way around
Let it get into you
Let it fill you up inside
This feelin's funk, that's what it is
Let it get into you
Jamaica funk, that's what it is
Baby come funk with me
We be funkin for jamaica
If ya feel it, let it get into you
Jamaica funk, that's what it is
Let it get into you
If ya feel it, let it get into you
Jamaica funk, that's what it is
Baby come funk with me
We be funkin for jamaica

I feel it and I let it get into me
Jamaica funk, that's what it was
Let it get into you too
Let you feel the funk
That feelin's funk, that's what it was
And I let it get into me
