Cheshire Cat Smile (Cool Catz Rendition)

Milburn

Oh how your mind's not on it
Pass me a book and I'll read you a sonnet girl
Walls go up, and guards come down
He's banging on the door thinking 'Where the f*** is she now?'So open your mouth and stick to your guns
You've got to realise that she's indifferent
Wha-wha-what's your name?
Just one love, here we go againSo it has come to an end
Things haven't changed you are still looking rough my friend
Things get broke, things come clean
If you wanted to leave then why are you still here?So open your mouth and stick to your guns
You've got to realise that she's indifferent
Wha-wha-what's your name?
Just one love, here we go again
