

Cover Girl

New Kids on the Block

I get up in the morning and I see your face, girl
You're looking so good, everything's in place
Don't you know I could never leave your side, girl
Won't you stay here with me and be my bride?
Don't you know you're my kind, you're just what I like, girl
You're everything, don't you know you're alright
The only girl I've always needed for so long
You're my everything Oh, oh, she's my cover girl
Oh, oh, oh, oh,
Oh, oh, she's my cover girl
Oh, oh, oh, oh When I look through the pages of a magazine
Still, your pretty face is the prettiest I've seen
Don't you know I only want to be with you
No other girl could make me feel the way you do
You're my everything Oh, oh, she's my cover girl
Oh, oh, oh, oh,
Oh, oh, she's my cover girl
Oh, oh, oh, oh Oh, oh, she's my cover girl
Oh, oh, oh, oh,
Oh, oh, she's my cover girl
Oh, oh, oh, oh Bass! It's alright
Oh, yeah, it's out of sight
Let me say it's alright, ah. Yeah! Don't you know I only want to be with you
No other girl could make me feel the way you do
You're my everything Oh, oh, she's my cover girl
Oh, oh, oh, oh,
Oh, oh, she's my cover girl
Oh, oh, oh, oh Oh, oh, she's my cover girl
Oh, oh, oh, oh
