

# You

## Deep Blue Something

Well hey you, Mr Torn Jeans  
Do you think you're mean  
Well, you cut just as easily  
As the faggot in the pink  
Are you ready tonight  
For the bloody sight  
Be a good boy, stand up and fight  
You're gonna die  
You're gonna die  
Well hey you, Mrs Big Hair  
No one really cares  
And all the boys stop and stare  
It isn't fair  
Well, you really look right  
But we know you're not tight  
Because you slept with my roommate last night

You're gonna die  
You're gonna die  
Remember , I'm in you, I'm in you  
Remember, I'm in you  
Remember, I'm in you, I'm in you  
I'm in you  
Well hey you, Mr Policeman  
Trying to hold my hand  
Yeah, we like what you're saying  
But please get off the band  
And please don't cry  
'Cause you know you can't fly  
But all you do is sit and get high  
You're gonna die (5X)  
I'm in you, I'm in you (4X)
