DREAM ON

Noel GallagherÂ´s High Flying Birds

Oh me, oh my, I'm running out of batteries
I'm hanging from the ladder
The tears you cry are only meant to flatter me
That shit don't matter at all, taking the shots as I fall
Watching the wheels that go round and round
Serene in the air cause I love you ladyI dream on, ohhh...
was that songbird singing
You shout it out for me,
you shout it out for me, so come on nowOne day at a time, I'm hiding from the razor blade
That's hanging in the kitchen
The kids are tired, they drunk up all their lemonade
The b*tch keeps b*tching and all, I'm taking the shots as I fall
Wait for the wheels to come round and round
Serene in the air cause I love you ladyI dream on, ohhh... was that songbird singing
You shout it out for me, you shout it out for me, ohhh
Dream on, ohhh, cause it's got no meaning
You shout it out for me, you shout it out for me
And she go, la-la-la-la-la-la, la-la-la-la-la
La-la-la-la-la-la, la-la-la-la-la-la-la
Dream on, ohhh... was that songbird singing
You shout it out for me, you shout it out for me, ohhh
Dream on, ohhh, cause it's got no meaning
You shout it out for me,
you shout it out for me (come on)
You shout it out for me (come on),
you shout it out for me (come on)
Shout it out for me (come on),
shout it out for me (come on)
Shout it out for me (come on),
shout it out for me (come on)
Shout it out for me (come on),
shout it out for me (come on)
Shout it out for me (come on),
shout it out for me
