

# Cool Me Down

## Margaret

[Verse 1]

Ready, aim and fire your gun

Nothing can cool me down

Wine on Venus is hot like the sun

Wow, nothing can cool me down[Verse 2]

Got my high stilettos on fleek

Nothing can cool me down

See the shadows dancing on me

No, nothing can cool me down[Pre-Chorus]

And before the night is over

Imma light a spark and let the crazy out

I'm your goddess on your knees[Chorus]

Down, down, down, down, down, down, down

I'm hotter than a fire

Water can't cool me down

Water can't cool me down

Oh oh, oh oh

I'm dancing like flames

And nothing can cool me down

Watch me, I run this town

Oh oh, oh oh, oh

No water can't cool me

Down, down, down, down, down, down

Dow, dow, dow

No water can't cool me[Verse 3]

There's no need to call 911

Nothing can cool me down

If you do, you spoiling the fun

Wow, nothing can cool me down[Pre-Chorus]

And before you're begging please

Imma light a spark and let the crazy out

I'm your goddess on your knees[Chorus]

Down, down, down, down, down, down

I'm hotter than a fire

Water can't cool me down

Water can't cool me down

Oh oh, oh oh

I'm dancing like flames

And nothing can cool me down

Watch me, I run this town  
Oh oh, oh oh, oh  
No water can't cool me  
Down, down, down, down, down, down  
Dow, dow, dow  
No water can't cool me  
Down, down, down, down, down, down  
No water can't cool me[Bridge]  
I love the way you want it  
Come get it like you own it  
Yeah yeah, we blaze even brighter  
When being two[Outro]  
I'm hotter than a fire  
Water can't cool me down  
Water can't cool me down  
Oh oh, oh oh  
I'm hotter than a fire  
Water can't cool me down  
Water can't cool me down  
Oh oh, oh oh  
I'm dancing like flames  
And nothing can cool me down  
Watch me, I run this town  
Oh oh, oh oh, oh  
No water can't cool me  
Down, down, down, down, down, down  
Dow, dow, dow  
No water can't cool me  
Down, down, down, down, down, down  
Dow, dow, dow  
No water can't cool me  
Down, down, down, down, down, down  
Dow, dow, dow  
No water can't cool me  
Down, down, down, down, down, down
