

Be Still and Know

[Hannah Kerr](#)

When your heart is anything but quiet, and peace feels a million miles away. When the world is heavy on your shoulder, and you don't know the path that you should take. When you cry to the Lord, and your broken voice is weak. When you can't stand anymore. He'll meet you on your knees.// Be still and know, you don't have to worry. Be still and know, He'll find you where you are. He is good. His love will never let you go. Trust Him. Be still. And know. Be still and know.// His plan is for the good of all who love him. His word is a promise you can hold. So cry out to the Lord. He is strong when you are weak. Find rest and be restored. He is all you need.// Be still and know, you don't have to worry. Be still and know, He'll find you where you are. He is good. His love will never let you go. Trust him. Be still. And know. Be still and know. Be still and know. //So cry out to the Lord. He is strong when you are weak. Find rest and be restored. He is everything. //Be still and know, You don't have to worry. Be still and know, He'll find you where you are. He is good. His love will never let you go. Trust him. Be still. Trust him. Oh, Be still. And know. Be still and know.
