

# We Are The Same

Kenny Rogers

I am you, you are me  
We are the same, we are the same  
My heart is yours, your heart is mine  
They're the same, they're the same  
We don't have to say a word  
Without words, we understand  
Je suis toi, tu est moi  
Nous sommes la meme  
Nous sommes la meme  
I'll take your hand, you'll take mine  
We are the same, we are the same  
We don't have to say a word  
Without words, we understand  
Yo soy te  
Est me  
Somo sel miso  
Somo sel miso  
I am you, you are me  
Somo sel mismo  
We don't have to say a word

Without words, we understand  
'Cause there is a life that never dies  
As long as there's love between you and I  
All that is precious in life  
All that is beautiful in life  
All that fills our thoughts  
All that moves our hearts  
All is comprised in one word  
And that word is life  
In our quest for love  
We are the same  
We don't have to say a word  
Without words, we understand  
Ich bin wie du  
Du bist wie ich  
Wir sind gleich  
Wir sind gleich  
We are the same
