

# My Babe

[Martina McBride](#)

My baby don't stand no cheatin', my babe  
My baby don't stand no cheatin', my babe  
My baby don't stand no cheatin',  
Don't stand none of that midnight creepin'  
My babe, true little baby, my babe  
My baby knows how to love me, my babe  
My baby knows how to love me, my babe  
My baby knows how to love me  
Knows how to kiss me and oh how to hug me  
My babe, true little baby, my babe  
My baby don't stand no cheatin', my babe  
My baby don't stand no cheatin',  
My baby don't stand no cheatin',  
Ev'rything he does he does so pleasin'  
My babe, true little baby, my babe  
My baby don't stand no foolin', my babe  
My baby don't stand no foolin', my babe  
My baby don't stand no foolin',  
When he gets hot there ain't no coolin'  
My babe, true little baby, my babe  
My babe, true little baby, my babe
