

# The Feeling Is Right

Clarence Carter

Every time I'm with you darling  
A fever comes over me, oh yeah  
And there's a burning deep inside  
That just won't let me be, oh no I tried to be patient baby  
But I just can't stand the pain, oh no  
And there's no time like right now darling  
While we're alone again The feeling is right  
And the time is right now  
Now you say it, the feeling is right  
I got to have your love My desires won't wait forever darling  
My willpower's growing weak, oh yeah  
And I can't fill this need inside  
With promises you won't keep, oh no So put away your childish ways  
And let the woman in you shine, oh yeah  
And let a good thing come between us girl  
Get down with this love of mine The feeling is right  
And the time is right now  
Oh the feeling is right  
I got to have your love I said the feeling is right  
And the time is right now  
Sometime you make me feel like
