Fighter

Sumo Cyco

Anybody tell you I'm a fighter?
Wanna start a fire, I'm the lighter.
Think you burn bright? I burn brighter.
Never tire.
Did they tell you I'm a fighter?Mr. Two can play at this game.
Call me out, c'mon call my name.
They're just like you, yeah, they're all the same.
Won't shut their mouth, yeah, you think you know all about it.
You been caught in a hit and run.
Don't know what got ya before I'm gone.
Hold ya still. I'll cut your tongue.
Whats your next one?
You know that I've heard all about it.Anybody tell you I'm a fighter?
Wanna start a fire, I'm the lighter.
Think you burn bright? I burn brighter.
Never tire.
Did they tell you I'm a fighter?
Anybody tell you I'm a fighter?
Wanna start a fire, I'm the lighter.
Think you burn bright? I burn brighter.
Never tire.
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?Put your dukes up, we get it on.
Hater's heads knocking to this song.
You think you're right, well I think you're wrong.
Suck on that one, yeah, you don't a thing about it.
Through the trenches and back again.
Met enemies and my so-called friends.
Paid my dues for the thickest skin.
Can't fool this one, baby I know all about it.Anybody tell you I'm a fighter?
Wanna start a fire, I'm the lighter.
Think you burn bright? I burn brighter.
Never tire.
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?I'm a fight
I'm a fight
Fight

I'm a fight
I'm a fight
Fight
I'm a fight
Fight I'm a
Fighter.They can't imprison me.
Barricades fall today.
They can't imprison me.
Barricades fall today.
They can't imprison me.
Barricades fall today.
They can't imprison me.
Barricades fall today.
They can't imprison me.
Barricades fall today.
They can't imprison me.
Barricades fall today.Anybody tell you I'm a fighter?
Wanna start a fire, I'm the lighter.
Think you burn bright? I burn brighter.
Never tire.
Did they tell you I'm a fighter?
Anybody tell you I'm a fighter?
Wanna start a fire, I'm the lighter.
Think you burn bright? I burn brighter.
Never tire.
Did they tell you I'm a fighter?
Anybody tell you I'm a fighter?
Wanna start a fire, I'm the lighter.
Think you burn bright? I burn brighter.
Never tire.
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?
Did they tell you I'm a fighter?
