## The New Amsterdams

She says  
Idaho is calling you home  
Old friends and lovers  
Returning the blowsCry me a river  
Misunderstood  
(If you're misunderstood)  
For all ever after  
Knew that you would  
(How I knew that you would)I didn't turn on  
You turned away  
No one is listening anywayShe says  
Idaho is calling you home  
Old friends and lovers  
Returning the blowsCry me a river  
For misunderstood  
(If you're misunderstood)  
For all ever after  
Knew that you would  
(How I knew that you would)I didn't turn on  
You turned away  
No one is listening anyway(Time is the best thing for giving in)  
(Time is the best thing for giving in)  
No one is listening anyway(Time is the best thing for giving in)  
(Time is the best thing for giving in)  
No one is listening anyway(Time is the best thing for giving in)  
(Time is the best thing for giving in)  
No one is listening anyway(Time is the best thing for giving in)  
(Time is the best thing)  
No one is listeningShe says  
Idaho is calling you home
