A Song for You

Amy Winehouse

I've been so many places in my life and time
I've sung a lot of songs I've made some bad rhyme
I've acted out my life in stages
With ten thousand people watching

But we're alone now and I'm singing this song for youI know your image of me is what I hope to be

I've treated you unkindly but can't you see

There's no one more important to me

So Darlin' won't you please see through me

Cause we're alone now and I'm singing this song for youYou taught me precious secrets of the truth withholding nothing

You came out in front, well baby I was hiding
But now I'm so much better with my words coming together

Listen to the melody cause my love is in there hiding I love you in a place where there's no space or time

I love you for in my life

cause you the boy next door and a friend of mine

And when my life is over

Remember, remember, remember, remember, remember,

when we were together

and I was singing this song for youWe were alone and I was singing this song for you
