

# The Daily Planet

## Love

In the morning we arise and  
Start the day the same old way  
As yesterday the day before and  
All in all it's just a day like  
All the rest so do your best with  
Chewing gum and it is oh so  
Repetitious  
Waiting on the sunDown on Go-stop Boulevard it  
Never fails to bring me down  
The sirens and the accidents and  
For a laugh there's Plastic Nancy  
She's real fancy with her children  
They'll go far, she  
Buys them toys to  
Keep in practice  
Waiting on the warI feel shivers in my spine  
When the iceman, yes his ice is melting  
Won't be there on time  
Hope he finds a rhyme  
For his little mindI can see you  
With no (hands) (face)  
Eyes I need you  
You're my (heart) (face)  
Look we're going round and round
