Like Callisto to a Star in Heaven

Trivium

Like Callisto To A Star In Heaven
Taken forcefully
A thing which never can be
Erased by time
Since he made you bleed, so violentlyPainful is the kick
Inside it makes you so sick
The blood that drips down your thigh
Tarnishes virtue; liesWearing a mask familiar
A god forced himself on you
Raping and impregnating
Causing the exile of your lifeChanged like Callisto to a star in heaven[Chorus]
Hate not the flesh that makes me
But seek what lies beneath
My flesh and blood will make the stars
That shake bones underneathNow a forsaken
Ghost in the eyes of her world
Banished for all time
Since he made you bleed, so violentlyPainful is the kick
Inside it makes you so sick
The blood that drips down your thigh
Tarnishes virtue; liesWearing a mask familiar
A god forced himself on you
Raping and impregnatingCausing the exile of your lifeChanged like Callisto to a star in heaven[Chorus]Cast out from the righteous life you loved
Vengeance comes down from the skies above
To wreak havoc and torment the one
Who just gave birth to her true love's sonCursed to roam the Earth alone, a beast
Witnesses as her son now fully grown
Readied arm to cast a spear, to kill
Can't recognize, all he sees is fearWearing a mask familiar
A god forced himself on you
Raping and impregnating
Causing the exile of your life[Chorus]
