

Listen to My Heartbeat

Little Beaver

you said "why am i holding on baby"
(ooohh)
i will never back down, are you walking out of my life
saying you really don't love me
(ooohh)
baby you don't meen that, you remembre all that we had
i took it from granded that you loved me the same but i gotta keep on talking
listen to my heartbeat-beat-beat
saying do you love me-me-me
but i'm laying here alone so i put you in a song beside my
heartbeat-beat-beat
iknow i have'nt been the best lately
(ooohh)
and i really know now i should give you all my time
(yeah)
you really do deserve better
(ooohh)
gotta get you somehow, can we start overagain now?
i took it for granded that you loved me the same, but i gotta keep on talking
listen to my heartbeat-beat-beat
saying do you love me-me-me
but i'm laying here alone so i put you in a song beside my
heartbeat-beat-beat
why am i holding on baby?
i were never back town, are you walking out of my live?
(mhmm)
so listen to my heartbeat-beat-beat
saying do you love me
oh, saying do you love me
but i'm laying here alone so i put you in a song beside my heartbeat-beat-beat
saying do you love me-me-me
but i'm laying here alone so i put you in a song beside my heartbeat-beat-beat...
