Better Man

Darius

It's two o'clock in the morning
Thought you said that you would call
You took all my pride from me
So I'd be glad to fall and crawl
It's not like me to ever care
That's the side of me you dare
And I don't want to spend another sleepless night
Noooooo
Never being right.

I know that I'm not perfect
And sometimes I'm just not worth it
But you make me want to be a better man
And you make me want to be the best that I can

Tell me now what I should do
I know all the things I've done
If I could I would take them back maybe then I'd be the one
It's not like me to even try
Because of you I've changed my mind
And I don't want to spend another day of my life
Nooooo
Never being right.

I know that I'm not perfect
And sometimes I'm just not worth it
But you make me want to be a better man
Oh you make me want to be the best that I can.

And I hate to wake you up
But I can't sleep without your touch
I need to hear you still could love me
Now I know I've been a fool
And I would change it if I could
But until I find a way to grow please don't go

Oh don't you know that you make me want to be a better man
Oh you make me want to be the best that I can.
You make me want to be a better man.
