

# I Know Him So Well

Whitney Houston ft. Cissy Houston

Nothing is so good it lasts eternally  
Perfect situations must go wrong  
But this has never yet prevented me  
From wanting far too much, for far too long  
Looking back, I could have done it differently  
Won a few more moments, who can tell?  
But it took time to understand the man  
Now at least I know, I know him well  
Wasn't it good, wasn't he fine  
Isn't it madness, he can't be mine  
But in the end, he needs  
A little bit more than me for security  
I know him so well  
No one in your life is with you constantly  
No one is completely on your side  
And though I moved my world to be with him  
Still the gap between us is too wide  
Looking back, I could've played it differently  
Learned about the man before I fell  
But I was ever so much younger then  
Now at least I know, I know him well  
Wasn't it good, wasn't he fine  
Isn't it madness, he can't be mine  
Didn't I know, how it would go  
If I knew from the start  
Why am I falling apart  
Wasn't he fine  
Isn't it madness, he can't be mine  
But in the end, he needs  
A little bit more than me for security  
I know him so well  
It took some time to understand him  
Ooh, I know him so well
