

# Get Naked (Feat. Danja)

## Britney Spears

Danja

Yeah, this sounds nice

yeah, yeah I got a plan we can do it

Just when you want it baby, baby, baby

As long as you want it

Come with me we can do it

Baby, baby, baby I got a plan we can do it

Just when you want it baby, baby, baby

As long as you want it

Come with me we can do it

Baby, baby, baby My body is calling out for you bad boy

I get the feeling that I just want to be with ya

Baby, I'm a freak and I don't really give a damn

I'm crazy as a motherfucker

Bet that on ya man If ya like what ya see

And your curiosity

Let your mind roam free

Won't you pay attention please What I gotta do to get you to want my body?

Quarter past three and ready to leave the party What ya tryin' to do, do, do

(I got a plan we can do it just when you want it baby, baby, baby)

What ya tryin' to do, do, do

(As long as you want it come with me we can do it baby, baby, baby)

(As long as you want it come with me we can do it baby, baby, baby)

(As long as you want it come with me we can do it baby, baby, baby)

(As long as you want it come with me we can do it baby, baby, baby)

(As long as you want it come with me we can do it baby, baby, baby)

(As long as you want it come with me we can do it baby, baby, baby) Get naked

Take it off

Take it off

Take it off

Take it off

Get naked

Get naked  
Get naked  
Get naked I'm not ashamed of my beauty you can see what I got  
Shouldn't I freak you out; imagine if I work it out  
If I got on top, your gonna lose your mind  
The way I put it down boy you know should be up Whatever you want, oh  
Whatever you want, oh  
We got it If ya like what ya see  
And your curiosity  
Let your mine roam free  
Won't you pay attention please If ya like what ya see  
And your curiosity  
Let your mine roam free  
Won't you pay attention please Get naked (would you mind?)  
Take it off (if I take it off)  
Get naked  
Get naked  
Get naked  
Get naked Baby, take it off  
I just wanna take it off, I just wanna take it off  
Baby, take it off  
I just wanna take it off, I just wanna take it off What ya tryin' to do, do, do  
(I got a plan we can do it just when you want it baby, baby, baby)  
What ya tryin' to do, do, do  
(As long as you want it come with me we can do it baby, baby, baby)
