The Devil Is Bad

The W's

She was walking in the garden on day, when a snake slithered round her feet. Follow me right over to this tree and I'll give you something good to eat. I don't know are you sure, I don't think it is right. It doesn't matter just open your mouth and take a tasty bite. She said to him I think its a sin but boy does it look ripe. He said to her just take my word and I promise that you'll see the light.(chorus) Why don't you just get out of here, cause I don't want to see your face around here no more. Why don't you just skidillydoo cause this is now and that was before. Cause you are the devil and the devil is bad, you are the devil and the devil is bad, you are the devil and the devil is bad, you are the devil and you are bad.The tempter met Him in the desert one day are you the son of God, turn these stones into wholesome bread and make Your hunger stop. Even though His hunger had grown real strong, He turned and simply replied man does not live on bread alone but on the word of God. Turn from Him and worship me and the kingdoms of the world are Yours away from Me with your evil ways cause I worship and I serve only God.
