

# Little Bit Of Feel Good (All Nantes Long Mix)

[Jamie Lidell](#)

Just the sound of your voice  
Drowning out all my noise  
When you call my name mysteriously  
All the source to let me see[Chorus]  
Little bit of feel good goes a long way  
I need your touch to get me through my day  
Watching you sleeping I pray  
Please don't make my feel good go awayJust a look of those eyes, cutting through my smokey skies  
And the parts of me that grow from you  
Cleared my vision so that I could see[Chorus]Just the smell of you hair follows me everywhere  
Your sweet alchemy turned trouble to gold  
Transforming it all to let me know[Chorus]Little bit of feel good goes a long way  
I need your touch to get me through my day  
Watching you sleeping I prayPlease don't make my feel good go away  
Please don't make my feel good go away  
Please don't make my feel good go awayPlease don't make it go away
