

Gunning Down Romance (Drum and Bass mix)

Savage Garden

Love and other moments
Are just chemical reactions in your brain
And feelings of aggression
Are the absence of the love drug in your viensIn your veins
Love come quickly
Because I feel my self esteem is caving in
It's on the brinkLove come quickly
Because I don't think I can keep this monster in
It's in my skinLove and other socially acceptable emotions are morphine
They're morphine
Cleverly concealing primal urges often felt but rarely seen
Rarely seenLove I beg you
Lift me up into that privileged point of view
The world of two
Love don't leave meBecause I console myself that
Hallmark cards are true
I really doI'm gunning down romance
It never did a thing for me
But heartache and misery
Ain't nothing but a tragedyLove don't leave meTake these broken wings
I'm going to take these broken wings
And learn to fly
And learn to fly away
And learn to fly awayI'm gunning down romance
