

Lollipop

Framing Hanley

Advisory - the following lyrics contain explicit language:

She said he so sweet I wanna lick the wrapper
And she, she licked me like a lollipop, like a lollipop Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps Cute little mama had a swag like mine
She even wear her hair down her back like mine
I make it feel right when it's wrong like lyin'
And man she ain't never had a love like mine Man I ain't never seen an ass like hers
That ***** in my mouth had me loss for words
I told her to back it up like berp berp
I made that ass jump like jerp jerp That's when she
She licked me like a lollipop, like a lollipop! Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps Won't you get on your knees?
Won't you get on your knees? Call me so I can make it juicy for you
Call me so I can get it juicy for you
Call me so I can make it juicy for you
Call me so I can get it juicy Call me so I can come and do it for you
Call me so I can come and prove it for you
Call me so I can make it juicy for you
Call me so I can get it juicy Shorty wanna thug

Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps Won't you get on your knees?
