

Animal Keeper

George Barnett

mmmmmmmmmm
mmmmmmmmmm Movin' on, we're in another place now
I'm findin' it hard to give, why is it hard to give
M-m-move along, you're taking up my space now
You've made my brain like a sieve, is this how I wanna live But you can learn you can fight with the will to
survive
Or you can follow on the path of your lifebloods your peers and your leaders
Yeahhhh
Like an animal keeper Tearing down the preachers
ahhhh
Had enough of Jesus
ahhhhh
Disappear into the ether
Yeahhhh
Breaking out from the animal keepers
Like an animal keeper Girl I like your Christ I do not like your Christians
I'm taking my man for a drink, then making it hard to think
THEY COMPLAIN
Control your kids, they're growing up to praise false idols
YES, like John luc and Mark weren't stars
Like Basilicas and Kirks weren't bars But you can learn you can fight with the will to survive
Or you can follow on the path of your lifebloods your peers and your leaders
Ayyyy ayyyyy
Like an animal keeper Tearing down the preachers
ahhhh
had enough of Jesus
ahhhhh
disapear into the ether
Yeahhhh
Breaking out from the animal keepers
Like an animal keeper Yeahhh, throw your hands in the air
Acting like we really care, taking them all for a fool
You fooled the world but not me Tearing down the preachers
ahhhh
Had enough of Jesus
ahhhhh
Disappear into the ether
Yeahhhh
Breaking out from the animal keepers

Like an animal keeper!
