

# Faith to Fall Back On

Hunter Hayes

People know that love is what they want  
They get caught up when it's gone  
They can't get back the kiss they lost  
Spend their whole life asking questions  
Not knowing what went wrong

When the answers that you know just prove you wrong  
Gotta have a little faith to fall back on  
And if all that you got left is being strong  
Gotta find a little faith to fall back on

Didn't treat my girl like she was mine  
Yeah, I thought I didn't need her at the time  
I changed my way of thinking when she left  
Yeah, I finally learned my lesson, but I learned by myself

'Cause when the answers that you know just prove you wrong  
Gotta have a little faith to fall back on  
And if all that you got left is being strong  
Gotta find a little faith to fall back on

These days i'm not sure if i know  
What I'm doing here or where I'll go  
Every night I say the same ol' prayer  
God I don't have to see you; I know that you're there

'Cause there were times I thought I wouldn't make it home  
But I got a little faith to fall back on  
Yeah, I learned to put my trust where it belongs  
And I got a little faith to fall back on

Cus' when the answers that you know just prove you wrong  
Gotta have a little faith to fall back on  
Yeah, gotta be strong  
You gotta be strong  
And find a little faith to fall back on
