

# Blood

## Goodie Mob

    Hmm yeah ahIt's a shame  
When niggaz gon' realize we the same  
    You helpin' the enemy win the game  
        If you a playa use precision  
        Don't make a decision in haste  
Your blood is a terrible thing to wasteIt's a shame  
When niggaz gon' realize we the same  
    You helpin' the enemy win the game  
        If you a playa use precision  
        Don't make a decision in haste  
Your blood is a terrible thing to wasteWe all blood
