Unpredictable

Ksm

Never sure what's in the future
Never know gotta wait and see
Always ends with a different picture
Than you thought it would turn out to be, yeah
Make a plan then everything changes
Circumstance out of your control
Your whole world just rearranges
That's how it goes
Just when you're ready to rock
Suddenly the power goes out
Just when you're not supposed to talk
Somebody shouts
Hey, life's so
Unpredictable
You never see what's coming
The future's undecided, yeah
Inexplicable
Sometimes you think you know
But life's so
Unpredictable
Like rain on a sunny day
Things don't always go your way
Inexplicable
It all turns upside down
Surprise party, you read the invitation
You find out it was yesterday
The song you sang for a competition
The other band they choose the same, yeah
Sometimes when you least expect it
Good things can happen too
You get a call last minute
Hot concert tickets waiting there for you

Just when you think you're sure
No solution to be found
Just when you think it won't work
It all works out
Hey, life's so
Unpredictable

You never see what's coming
The future's undecided, yeah
Inexplicable
Sometimes you think you know
But life's so
Unpredictable
Like rain on a sunny day
Things don't always go your way
Inexplicable
It all turns upside down
Unpredictable
You never see what's coming
Inexplicable
It happens, it happens all of a sudden
Unpredictable
You never see what's coming
The future's undecided, yeah
Inexplicable
Sometimes you think you know
But life's so
Unpredictable
The rain on a sunny day
Things don't always go your way
Inexplicable
It all turns upside down
