Beautiful Thing

King Tuff

Breaking windows with a baseball bat
Turning all the good boys bad
Burn your little flame
'Till everybody knows your name
C'mon Baby be my beautiful thing
Be my beautiful
Be my beautiful
Be my beautifulShock me, Rock me, Show me what you can do
Lightning bolt me, High volt me, give me the juice
Burn your little flame
'Till everybody knows your name
C'mon Baby be my beautiful thing
Be my beautiful
Be my beautiful
Be my beautiful(Solo)Chewing gum and cheap tattoos
Show me all the innocence you're trying so hard to lose
Burn your little flame
'Till everybody knows your name
C'mon Baby be my beautiful thing
Be my beautiful
Be my beautiful
Be my beautiful
Be my beautiful
Be my beautiful
