

Find Out What's Happening

Elvis Presley

Baby you know me well
You know I mean what I say
Before I say farewell
I'll give you just another day You'd better find out what's happening
Find out what's happening before long, Oh yeah
If you don't find out what's happening
You're gonna find out that I've gone now, Oh yeah Tell me what you're gonna do
You'd better make up your mind
It all depends on you
I'm leaving you behind You'd better find out what's happening
Find out what's happening before long, Oh yeah
If you don't find out what's happening
You're gonna find out that I've gone now, Oh yeah Baby you know it's true
We've been through thick and thin
But if you don't come through
You won't ever see me again You'd better find out what's happening
Find out what's happening before long, Oh yeah
If you don't find out what's happening
You're gonna find out that I've gone now, Oh yeah
You'd better find, find, better find out Better find out
Better find, better find out
Better find, better find out
If you don't find, you're gonna find out that I'm gone
