

# Halo

## Abigail Washburn

Dark is the night  
Gray is the day  
It's cold outside  
But his halo lights my way  
He says to me  
I wanna light you up  
I wanna light you up  
In the dark and the day  
My halo's bright  
Follow the way  
It's hard to see  
It's hard to say  
I'm without knowing  
But his halo lights my way  
The water is wide  
This side I can't stay  
I don't know where I'm going  
But his halo lights my way
