Real Stuff

Colin James

Tell me which way is up
Cause I never get there
Feel like I'm stuck in the mud
Back forty of nowhere
I need a new kind of sign
Not just stop every time
You try talk and I just keep on trying
C'mon throw me a bone
Before you leave me alone
And you spend another night
Going over and over all the things
You say I should've knownYou're hiding baby
In the time it takes me
To see what Ive done wrong
You'll be gone
You're hiding baby
In the time it takes me
To see what Ive done wrong
You'll be goneSomething set you right off
So you took off without saying
If I'd have known what it was
Id have stopped all the playing
Now I'm lying like lead
On your side of the bed
Feeling something unwind in my head
You got a ten dollar shine
On your two dollar shoes
Will the nail in your heart
Stop it flying all apart
When what you've done dawns on youYou're hiding baby
In the time it takes me
To see what Ive done wrong
You'll be gone
You're hiding baby
In the time it takes me
To see what Ive done wrong
You'll be gone
