

Bill Me Anytime

The Bar and Grill Singers

Bill me in the mornin'â€™
Bill me in the evenin'â€™
Bill me at suppertime
Be my little lawyer and bill me all the time
Call me in the mornin'
Call me in the evenin'
Call me anytime
To show youâ€™re thinkin' of me and bill me for the time

Be my own attorney and
counselor at law
If you want to bill me
Just give me a call

Bill me in the mornin'
Bill me in the evenin'
Bill me at suppertime
Be my little lawyer and bill me all the time

Bill me in the mornin'
Bill me in the evenin'
Bill me at suppertime
Be my little lawyer and bill me all the time
Call me in the mornin'
Call me in the evenin'
Call me anytime
To show youâ€™re thinkin'â€™ of me and bill me for the time

Send me lots of letters
I'll read them every day
I'll be yours forever
And Iâ€™ll always pay

Bill me in the mornin'
Bill me in the evenin'
Bill me at suppertime
Be my little lawyer and bill me all the -

Now every night is billing time
'Cause your fee is what I need

When Iâ€™m at home
Iâ€™m sitting by the phone
Just waiting for my lawyer to call

Bill me in the mornin'
Bill me in the evenin'
Bill me at suppertime
Be my little lawyer and bill me all the time
