## Willie Nelson

What's happened  
Down here  
Is the wind's  
Have changed  
Clouds rolled  
In from the north  
And it started to rain  
It rained real hard  
And it rained  
For a real long time  
Six feet of water  
In the streets  
Of Evangeline  
The river rose all day  
The river rose all night  
Some people  
Got lost in the flood  
Some people  
Got away all right  
The river had busted  
Through clear  
Down to Plaquemine  
Six feet of water  
In the streets  
Of Evangeline Louisiana, Louisiana [Chorus]  
They're tryin'  
To wash us away  
They're tryin'  
To wash us away Louisiana, Louisiana [Chorus] President came down  
In his big airplane  
With his little fat man  
With a notepad  
In his hand  
President say  
Little fat man  
Isn't it a shame?  
What the river has done  
To this poor

Farmer's land Louisiana, Louisiana [Chorus] Louisiana, Louisiana [Chorus: x2]
