

Pantomime Horse

Suede

I was born as a pantomime horse
Ugly as the sun when he falls to the floor
I was cut from the wreckage one time
This is what I get for being that way Well, did you ever
Did you ever go 'round with them?
Well, did you ever
Did you ever go 'round the bend? I was conned by a circus hand
Tragic as the son of a superman
"I would die for the stars", she said
This is what I get for my beautiful head Well, did you ever
Did you ever go 'round with them?
Well, did you ever
Did you ever go 'round the bend? Well, did you ever
Did you ever go 'round with them?
Well, did you ever
Did you ever go 'round the bend? Ever tried it that way
Have you ever tried it that way?
Have you ever tried it that way? Ever tried it that way
Have you ever tried it that way?
Have you ever tried it that way? Ever tried it that way
Have you ever tried it that way?
Have you ever tried it that way? Ever tried it that way
Have you ever tried it that way?
Have you ever tried it that way?
Have you ever tried it that way?
Have you ever tried it that way?
