

# Helplessly In Love

## Debbie Gibson

### VERSE 1:

My ears are gonna fade away  
Without a word from you  
My lips are gonna fade away  
Without kissin' you  
'Cause I'm missin' you  
Can't you see I feel helpless?  
So alone here  
Out of touch with all I love  
So helpless

So helpless in love

### VERSE 2:

Forever is so long to wait  
Well it seems like forever  
It was so much more than fate  
that brought us together  
together  
Don't ya know I  
keep counting  
the days 'til  
I can see you again  
So helpless

I'm missin' the love of my life  
and my best friend

### CHORUS:

Oh, I can't count the stars in the sky  
no matter how hard I try  
I'm helplessly in love and missin' you  
Can't think of anything else  
except how hard I feel

I'm helplessly in love and missin' you

### VERSE 3:

I know that it's so hard to hear  
the voice of reason  
It's like goin' from summer to winter  
unwanted change of season  
It's not pleasin' me baby  
I can't see clearly  
even though the  
sun's been lifted from my eyes  
So clearly

'til the day we said goodbye

### CHORUS:

Can't count the stars in the sky

no matter how hard I try  
I'm helplessly in love and missin' you  
Can't think of anything else  
except how hard I fell  
BRIDGE:  
I used to wonder if you felt the same  
I know you do and now it's a different game  
When someone you love's been taken away  
Even though it's not for long  
it seems like forever and a day  
Can't you see I feel helpless?  
So alone here  
Out of touch with all I love  
So helpless  
So helpless in love  
CHORUS  
Can't count the stars in the sky  
No matter how hard I try  
I'm helplessly in love and missin' you  
Can't think of anything else  
Except how hard I fell  
Can't count the stars in the sky  
I'm helplessly in love and missin' you  
Can't think of anything else  
except how hard I fell
