

# Monoculture

## Enditol

Why don't I just give up  
And do myself a favor?  
My life is slowly turning gray  
And losing all its flavor Everything the same  
Again and again and again  
Everything the same  
Again and again and again Over and over and over  
Again and again and again  
(Monoculture)  
Over and over and over  
Again and again and again  
(Monoculture) No change  
The world's gone insane  
(Monoculture)  
Everything that's old  
Is new again  
(Monoculture) Monoculture  
Monoculture Why don't I just give up  
And submit to the great God of Bland  
All my exotic gestures  
No longer in demand Everything the same  
Again and again and again  
Everything the same  
Again and again and again Over and over and over  
Again and again and again  
(Monoculture)  
Over and over and over  
Again and again and again  
(Monoculture) Monoculture  
It's the same Monoculture  
(Monoculture)  
Mediocre  
(Mediocre)  
Monoculture  
(Monoculture)  
Mediocre Over and over and over  
Again and again and again  
(Monoculture)  
Over and over and over

Again and again and again  
(Monoculture)No change  
The world has gone insane  
(Monoculture)  
Everything that's old  
Is new again  
(Monoculture)Monoculture  
MediocreThe same, ordinary  
Boring, mediocre  
The same, ordinary  
Boring, monoculture
