

# Better Off On Her Own (Remastered) [Bonus Track]

## Roxette

My girl came home to me  
Just the other day acting okay  
I was reading alone  
In my favorite room the TV was on  
May I be excused  
For not telling the truth?  
'Cause she's gone  
She said she's better off on her own  
She turned her head  
Much better off on her own  
My girl knocked on the door  
To the place I usually refer to as home  
I died surely some time  
She looked in my eyes  
Small and surprised  
And God closed every gate  
The moon fell into the lake  
Boy, she's gone adrift  
She's better off on her own  
She closed and she left  
Much better off on her own  
Sitting naked by the window sill  
Watching cars upon the hill  
Am I sleeping, I was dreaming  
For just a moment time stood still, hey  
Better off on her own  
Better off on her own  
Now she's gone  
(Better off on her own)  
She said  
(She's better off on her own)  
She's better off on her own  
She turned  
(Better off on her own)  
Her head  
(She's better off on her own)  
Much better off on her own  
She's gone  
(Better off on her own)  
She sighed  
(She's better off on her own)  
She's better off on her own  
The tears  
(Better off on her own)  
I cried  
(She's better off on her own)  
Much better off on her own  
My girl came home to me  
Just the other day
