We Will Not Grow Old

Lenka

You and me will be lying side by side
Forever, forever
Underneath this adolescent sky
Together, togetherAnd you will hold my heart
Inside your hand
And you'll be the one
The one to tell meOh, we've got a long, long way to go
To get there, we'll get there
But oh, if there's one thing that we know
It's that we will not grow oldI made you swear that our hearts will never die
No never, no never
'Cause no one seems to believe that we can fly
Forget them, forget them, oh you told meOh, we've got a long, long way to go
To get there, we'll get there
But oh, if there's one thing that we know
It's that we will not grow oldOh, we've got a long, long way to go
To get there, yeah we'll get there
But oh, if there's one thing that we know
It's that we will not grow oldOh, how could we know that day?
It came with age
That oh, the feeling would fadeOh, we've got a long, long way to go
To get there, we'll get there
But oh, if there's one thing that we know
It's that we will not grow oldOh, we've got a long, long way to go
To get there, yeah we'll get there
But oh, if there's one thing that we know
It's that we will not grow oldWe will not grow old
We won't grow old
No, no, we will not grow old
Oh no, we will not grow old
We will not grow old
