

# Never Win (Mirwais Alternate Mix)

## Fischerspooner

[Chorus:]

I don't need to need you  
Tell me what to do  
Tell me what to say  
Don't you want to help me  
Tell me what to do  
Help me find a way  
If I was not me  
I would hate me too  
Just like you do  
I don't need to need you  
Tell me what to do  
Tell me what to say It's all made worse by a simple scheme  
You're slipping away from me  
Can't decide sometimes if it's worth the point  
The point is the struggle, insecurity Hopefully, you make no mistake  
If you learn from what you've got to take  
Good or bad, it's all gonna add up in the end but,  
You can never win. [Chorus] And it's the desperation to hold on to  
Something that can't be held on to  
So, Don't waste your time filling up my words  
Don't tell me why, assume the worst. Hopefully, you make no mistake  
If you learn from what you've got to take  
Good or bad, it's all gonna add up in the end but,  
You can never win. Don't thank me,  
Don't tell me how,  
Don't break me down,  
Don't help me make it, I don't need to need you  
Tell me what to do  
Tell me what to say  
Don't you want to help me  
Tell me what to do  
Help me find a way
