Seh u have a reason fi be my life
Seh u wanna really get love fi life
Money mean love n I love my life
My true money nanny is my wife
When di talk dem hustle in di streets
Every night for police strip
Upon di road when yuh sleep
Is not for the love of rollin dear
The love of money
Mi check for u my girl
But u still can't get first place
When mi wek up inna di morning
None haffi look inna mi face
If mi na mi have pound Sterling
Di queen mi want fi embrace
She divorce Benjamin Franklin
A mi move on inna my place
Mi nuh want no gyal weh nah mal
Mi want di American dream
If mi go England
Mi no rule normal
Mi ruling wid di queen

Married to money don't illegal
Any woman debt on money she a my gyal
When Dean ?? drive in

Every English hustle I know what mi mean
Mek mi bawl out n leave the queen
Got mi clarks shoe n cya lean
Gat mi wan jeans red collar ???
Ready polo and USA money cream, pimp pimp
